

Job Description

We are an enthusiastic practice of landscape architects. We are passionate about design and are sticklers for detail. We provide creative design solutions at all scales of planning and development, predominantly within the residential sector, but also within the office and education sectors.

We are currently looking to appoint a Senior Landscape Architect and/ or Landscape Architect for an immediate or early start. The candidates will have a degree in Landscape Architecture as well as a Post-Graduate Diploma or Master's degree in Landscape Architecture. The candidates must have a thorough working knowledge of AutoCAD or Vectorworks, Adobe Creative Suite and NBS landscape specification. It would be an advantage to have a working knowledge of Revit and Sketch-up.

All applicants must be fluent in written and spoken English and must currently hold UK or EU residency. Only candidates available for face to face interview in London will be considered.

As a company we offer competitive salaries, opportunities for career progression, a company pension scheme, a unique office setting and a good work life balance. Our practice is located centrally and easily accessible by public transport.
