RHDA, Colindale, Barnet

Complete: 2019

Scope: Tender, On site

Client: Mace Construction

Architect: Bryden Wood

A 2.08ha brownfield site that is to contain a dedicated training facility for the Metropolitan Police. Constraints include Underground and a Network Rail lines adjacent to two plot edges, a significant belt of existing trees to two plot edges, a fall of 4.5 across the site and minimising fill to export off site. Proposal included pedestrian circulation, parking and access.

Westbury Estate, Clapham, Lambeth

Complete: 2019

Scope: Tender, On site

Client: St James Group

Architect: BM3 Architects

The preparation of full tender/ construction packages of information for three brownfield plots that total 0.38ha. Two plots contain residential developments and the remaining plot to be a public playground. Constraints included, a fall of 2m from Wandsworth Road to the rear of two of the plots, a number existing trees to be retained and contamination.

London Road, Wembley, Brent

Complete: 2018

Scope: Concept, Planning

Client: Brent Partnership

Architect: PRP Architects

The preparation of a landscape strategy for a 0.92ha brown/ greenfield site. To contain Temporary, NAIL and private residential units. Proposals include 3 under 5 years play areas, a linear 5 to 11 years playground, new carriageways & parking to adoptable standards. Existing constraints include a fall at the south end of the site and a number of mature trees to be retained.

Gillan Court, Lewisham

Complete: 2018

Scope: Concept, Planning, Tender

Client: Riverside Housing

Architect: JM Architects

The preparation of landscape architect's information to support a Detailed Planning submission for this 0.27ha brownfield site with a retained residential block. The landscape proposals consisted of a shared play space, car parking private gardens and shared circulation routes. Constraints included existing TPO trees and Party Walls.

Waldram Crescent, Lewisham

Complete: 2018

Scope: Concept, Planning

Client: Caerus Developments

Architect: Rolfe Judd

The preparation of landscape architect's information to support a Detailed Planning submission for this 0.12ha brownfield plot. The building consists of commercial at ground floor with residential above. The landscape proposals consisted of a shared amenity space and lay by parking for deliveries and utilities access.

Landscape Architecture

Key Projects

Sloane Street, London

Complete: 2016

Scope: Construction Information

Client: Cadogan Estates

Architect: Stiff & Trevillion

A public courtyard and communal roof garden landscape that serves a number of commercial offices and retail spaces to its edges. Responsible for preparing a detailed construction package of information and coordinating information with other design consultants.

Lyon Square, London

Complete: 2016

Scope: Tender Information

Client: Redrow Homes

Architect: CZWG

A roof garden courtyard and public realm landscape that provides a shared amenity for the dwelling which surround this space. Initially responsible for developing the consented scheme to the satisfaction of the client. Then preparing a detailed tender package of information and coordinating information with other design consultants.

Newbury Market Street

Complete: 2016

Scope: Planning

Client: Grainger

Architect: JTP Architects

The proposed development of a 2.2ha plot of land between Newbury railway station and Market Street. The intention was to create 232 new homes, 10,000sqft of commercial space and public realm. The landscape design carefully considered levels throughout the public realm, creating a step free route and providing improved links between the station and town centre.

Belmont Road, Grays

Complete: 2016

Scope: Planning

Client: Thurrock Council

Architect: TM Architects

A new 2.5ha mixed tenure residential scheme. The landscape design include a range of public open green spaces, including a 'village green' and two playgrounds. Off plot car parking, ecology, lighting and a sustainable urban drainage strategy were all incorporated into the landscape design.

East Tilbury

Complete: 2015

Scope: Planning

Client: Cogent Land LLP

Planning Consultant: Icen Projects

The preparation of a masterplan for this urban extension that is to accommodate 1,000 residential units, a new school, health facilities and sports facilities. The landscape design incorporated a range of public open green spaces, a wayfinding strategy and a integrated surface water management strategy.
