

## Job Description

Davis Landscape Architecture is an enthusiastic practice of landscape architects who are passionate about design and are sticklers for detail. We provide creative design solutions at all scales of planning and development, predominantly within the residential sector, but also within the office and education sectors.

We are currently looking to appoint a Landscape Architect for an immediate or early start. The candidate will have a degree in Landscape Architecture as well as a Post-Graduate Diploma or Master's degree in Landscape Architecture. The candidate must have a thorough working knowledge of AutoCAD, Photoshop and Sketch-up. It would be an advantage to have a working knowledge of and InDesign, Adobe Illustrator, NBS landscape specification and Revit.

All applicants must be fluent in written and spoken English and must currently hold UK or EU residency. Only candidates available for a face to face interview at our London office will be considered.

As a company we offer competitive salaries, opportunities for career progression, a company pension scheme, a unique office setting and a good work life balance. Our practice is located centrally and easily accessible by public transport.

### Landscape Architect Position

A suitable Landscape Architect will have 1 - 3 years professional experience. They will be organised and have an efficient approach to completing work within tight deadlines. They should be used to working in an ISO9001 accredited (or equivalent) office. The candidate will be able to work as part of a team and take instruction. They will have experience in the production of graphic information to support planning submissions and in the production drawn technical information. They will have strong graphic capabilities and a good eye for detail. This is a full-time post, however applicants wishing to work part-time will be considered.

If you are interested in joining our team, please submit your CV and portfolio (maximum 10mb, PDF) to [mail@davisla.com](mailto:mail@davisla.com) by Friday 26<sup>th</sup> April 2019.
