Key Projects

South Street, Romford

Complete: 2019

Scope: Concept, Planning

Architect: Dunnett Craven

Client: Caerus Developments

Assisting in the preparation of a residential landscape design statement to support a detailed planning submissions for a 0.3ha brownfield plot. Proposals included a podium deck amenity space with play and private patios. An existing Play Assessment report and an Urban Greening Factor calculation were also required as part of this submission.

Leatherhead Road, Chessington

Complete: 2019

Scope: Concept, Planning

Architect: Clive Sall Architects

Client: Ross Sloan Investments

Assisting in the preparation of a residential landscape design statement to support a detailed planning submissions for a 0.65ha plot located on the footprint of eight existing dwellings. Proposals included parking, shared surfaces and a communal flooding "green" and play. Constraints included challenging levels and existing trees to the plot perimeter.

Coral, Romford

Complete: 2019

Scope: Concept, Planning

Architect: BUJ Architects

Client: Passion Property Group

Assisting in the preparation of a residential landscape design statement to support a detailed planning submissions for a 0.41ha brownfield plot. Proposals included four podium deck amenity spaces; with play and ground level parking. An existing Play Assessment report and an Urban Greening Factor calculation were also required as part of this submission.

Beech Avenue, Croydon

Complete: 2019

Scope: Concept, Planning

Architect: Fairbairn : MHK

Client: Confidential

Assisting in the preparation of a residential landscape design statement to support a detailed planning submissions for a 0.46ha greenfield/ brownfield plot. Proposals included disabled parking, pedestrian circulation and a communal garden space which integrated play. Constraints included challenging levels across the site and existing TPO trees.

Westmead Road, Carshalton

Complete: 2019

Scope: Concept, Planning

Architect: Caerus Developments

Client: Caerus Developments

Assisting in the preparation of a residential landscape design statement to support a detailed planning submissions for a 0.19ha brownfield plot. Proposals included three amenity spaces with play integrated into each. An existing Play Assessment report and an Urban Greening Factor calculation were also required as part of this planning submission.

New Kent Road, Southwark

Complete: 2019

Scope: Concept, Planning

Architect: Clive Sall Architects

Client: Eden Vale Global

Assisting in the preparation of two landscape strategies for two planning submissions; work space/ residential and hotel. The site is located a 0.15ha brownfield plot next to a busy London Red Route. Both proposals aimed to green the entire building; with a series of gardens located on the various levels providing a variety of intimate spaces.
