

Project Landscape Architect Job Description

We are an enthusiastic London base practice. Our current portfolio of work focuses on the residential sector, with some office/ business parks and school projects. Our current projects range from masterplanning to the micro scale, from planning to through to the completion of projects.

We would expect the candidate to:

- Have a proven track record in delivering projects
- Have strong design, graphic and technical capabilities
- Have a proven track record in producing planning submissions and tender packs of information
- Be degree educated in landscape architecture
- a chartered member of the Landscape Institute (would consider someone on the P2C programme)
- Have been employed as a landscape architect for a minimum of 3 years
- Be entitled to work in the UK

We are looking for some who is able to:

- Work as part of a team and manage other staff members
- Communicate in a polite and clear manor
- Manage client and design team relationships
- Listen and respond positively to requests
- Motivate themselves
- Arrange their thoughts and make useful suggestions
- Have good attention to detail
- Articulate in written communication

We would expect the following software abilities:

- AutoCAD or Vectorworks
- Adobe Creative Suite
- MS Office
- NBS landscape specification
- SketchUp (desirable)
- Revit (desirable)

We offer:

- Competitive salaries
- Opportunities for career progression
- A company pension scheme

If you are interested in joining our team, please send through your CV and portfolio to mail@davisla.com by Monday 12th December 2016.
