Key Projects

London Square, Tower Hamlets

Complete: 2024

Scope: Tender to Completion

Client: London Borough of Tower Hamlets

Contractor: JB Riney

The preparation of a detailed tender and construction packages of information for this new 0.3ha public square located between the newly completed Tower Hamlets Town Hall and the New London Hospital. Key features of design included pedestrian circulation, creating a flexible space and accommodating occasional service vehicles.

Chocolate Factory E2, Haringey

Complete: 2024

Scope: Conditions to Completion

Client: London Borough of Haringey

Contractor: Formation Design & Build

The preparation of detailed tender and construction packages of external works information for this new build 0.40ha housing development arranged around a podium deck landscape space. Key features of design included integrating the new development with future proposals, a new podium deck courtyard space with play and coordinating levels with adoptable highway.

Deburgh Road, Wimbledon

Submitted: 2024

Scope: Planning

Client: Churchwood Construction

Architect: Kay Elliot Architects

The preparation of landscape architect's information to support a detailed planning submission for a residential development located on a 350msq brownfield site. Key features of design included providing raingardens through out the scheme, providing defensible spaces for residents and accommodating the requirements of adjacent existing mature trees.

Bencham Lane, Croydon

Submitted: 2024

Scope: Conditions

Contractor: Oakwood Building Contractors

Architect: MAA Architects

The preparation of information to discharge landscape related planning conditions for a residential development with commercial at ground floor, located on a 0.14ha brownfield site. Key features of the design included accommodating a play space at ground level and the design of podium deck shared amenity spaces at levels 4, 7 and 9.

Vaughn Road, Harrow

Submitted: 2024

Scope: Conditions

Architect: The Whitehouse Design

The preparation of information to discharge landscape related planning conditions for a residential development with commercial at ground floor, located on a 0.18ha brownfield site. Key features of design included dealing with complex levels at ground floor and the design of a podium deck shared amenity space at level 5.

Davis
Landscape Architecture

Key Projects

Norlington Road, Leyton

Submitted: 2024

Scope: Planning

Client: Galliard Homes

Architect: Formation Architects

The preparation of landscape architect's information to support a detailed planning submission for a residential development with commercial at ground floor and two podium deck communal courtyards at level 1. Key features of design included accommodating new trees within a paved surface and accommodating play within the courtyard spaces.

Gillan Court, Lewisham

Complete: 2023

Scope: Construction

Client: Riverside Housing

Contractor: Formation Design Build

Architect: Delta Architects

The preparation of landscape architect's information to enable the construction of this residential development located on a 0.27ha brownfield site with a retained residential block. The landscape proposals consisted of a shared play space, car parking private gardens and shared circulation routes. Constraints included existing TPO trees and Party Walls.

Frontenac, Brent

Complete: 2023

Scope: Planning, Tender, Construction

Architect: ATP Group

Client: Jerram Falkus

The preparation of a landscape design for a local authority housing estate that accommodated a new residential building, located on a 0.42ha plot. Key features of design included a variety of amenity spaces with play, a significant level change across the plot and a number of existing trees within the plot boundary to be accommodated with our proposals.

Island Garden Cafe, Isle of Dogs

Complete: 2023

Scope: Conditions, Tender, Construction

Architect: ATP Group

Client: Jerram Falkus

The preparation of a landscape design for a cafe space within a local authority owned public park on the River Thames, located on a 400msq plot. Key features of design included accommodating the requirements of a Grade II listed park and a significant number of existing mature trees within the plot boundary to be accommodated with our proposals.

Willow Way, Lewisham

Submitted: 2022

Scope: Planning

Client: Kitewood

Architect: Dunnett Craven Architects

The preparation of landscape architect's information to support a detailed planning submission for a residential development located on a 0.20ha brownfield site. Key features of design included addressing a significant level change at ground floor level and three individual podium deck landscape spaces that provided the required play quantum for the site.

Stratham Common, Lambeth

Submitted: 2021

Scope: Planning

Client: Midtown Capital

Architect: DGA Architects

The preparation of landscape architect's information to support a detailed planning submission for a residential development located on a 0.29ha brownfield site. Key features of design included providing meaningful private amenity space at lower ground floor level and accommodating a communal amenity space that provided the required play quantum for the site.

Worsley Bridge Road, Clapham

Submitted: 2020

Scope: Pre Application

Architect: Caerus Developments

Client: Caerus Developments

The preparation of a landscape strategy for a proposed residential development with a significant area of public open space incorporating play for all ages. The existing 2.0ha site is an area of underused open grassland and is designated an area of Metropolitan Open Land. Our proposed layout adopted Home Zone type principals and aimed to create a variety of community spaces.
